

# Medieval Banquets

## Tithe Barn, Loseley Park

Held in our fabulous 17<sup>th</sup> Century Tithe Barn, these banquets offer feasting, fun and merrymaking from a bygone age.

Ale, wine and fruit juice will be offered to you on arrival with the scene being set by music, juggling and jesting.

Then the magnificently attired Master of Ceremonies will welcome and call you to the feast where seated at benches, you will be served delicious food by wenches in traditional costumes.

Using bread, 'daggers' and fingers to consume your repast and to add piquancy to the occasion, you will wash it all down with wine and mead and, listening, watching and jesting with the entertainers, you will be transported back to times of simple pleasures.

Exclusively for parties of 80 - 100, or as part of our party share nights for smaller numbers from 2 upwards.

**Prices from £55.00 per head**
